

A map of the study area, an irregularly shaped landmass. It features 11 numbered sampling points (1-11) marked with black dots. A legend at the bottom left shows a black rectangle labeled 'Club House'. A scale bar at the bottom right indicates 100m. A compass rose in the top left corner shows cardinal directions (N, S, E, W). The landmass contains several internal features, including a large central lake and several smaller ponds or inlets.
