**Car & Trailer Parking:**

The grass areas are too wet to park on. Early arrivals will be directed to park and rig on the tarmac areas in the visitors car park. When that is full, the road above the dinghy park will be used. **Please park cars and trailers perpendicular to the road** so that the space is used efficiently. Our club members will need to be able to park too!

**Wash down:**

Boats must be washed down before leaving the Club to comply with non-native species guidance. The main wash down facility is on the slipway to the west of the clubhouse.

The fire exits from the Clubhouse are marked – the fire muster point is on the grass of the roundabout on the land side of the Clubhouse.

Please do not leave valuables in the changing rooms: there are lockers (green) in the café area which take a £1 coin
