

Welcome to Saltash Sailing Club for the second instalment of the 2023 Summer SW traveller program.

For visiting boats, head for Saltash Sailing club PL12 4EL. As you enter the car park, there will be cordoned off area along the river front wall opposite the club house to drop off Trailers and unload your boats. Someone will be onsite to assist and advise where to park your car on Friday evening as well as Saturday and Sunday mornings.

Saltash SC have male and female and 'inclusive' (with is easy access) changing and showering facilities.

For parents teas and coffees will be available FOC in the club house while the sailors are doing their stuff.

For Saturday's training there will be no food available so sailors and parents are advised to bring their own food. There will be a kettle available for making pasta pot style snacks. There are local shops including takeaway option within walking distance. Don't forget this is the home of the Cornish Pasty.

For Sunday racing, the galley will be open for breakfast style food as well as lunch. But please be warned that the races will be back to back meaning the sailors will not return to shore for lunch this way through so the sailors will need to take snacks and plenty of water afloat.

The prize giving will be held as soon as possible after racing in the club house.

Saltash SC have set up a Telegram group. Saltash SC will post any information as the weekend goes on onto this group. Everyone should have authority to post should you have any questions or get lost!
