

# NS6 Carsington 11<sup>th</sup>/12<sup>th</sup> July 2015

---

## **Arrival:**

The Club will be open Friday evening until 8pm

Saturday morning normal opening is 0900hrs – but we are intending to open at 0830hrs.

## **Parking/Dinghy Park:**

There is ample room at the club for boats and trailers. Depending on the water level there will either be parking at the Club or on the adjacent Severn Trent Car park (free for this event)

## **Accommodation:**

Unfortunately there is no overnight camping or staying on site (a condition of the lease from Severn Trent Water) , however there is a campsite within walking distance of the club, look at

<http://www.knockerdown-inn.co.uk/caravan-camping/>.

There is also a field opposite the pub that has a campsite on it.

## **Catering:**

There is a full galley service all weekend from 0900hrs to 1800 hrs – evening meals can be arranged depending on numbers and will need to be pre-booked first thing on Saturday morning.

The galley will not be open Friday evening but there are pubs close by.

## **Dogs:**

Dogs are allowed on site and there are lots of places for walking adjacent to the site

## **Useful Local Information:**

There are loads of things for people to do at Carsington – please check the Carsington Water web site for full details – there is bike hire, bird watching, walking at Carsington, activity play area for young kids, restaurants, pubs etc, etc.

Please see the following for more information:
