

WELCOME TO DRAYCOTE WATER SAILING CLUB

(Updated May 2018)

We would like to welcome you to Draycote Water and hope you have a very enjoyable time sailing.

To help minimise the hassle for you, there are 2 key bits of information that you need to know:

1. Before any craft is sailed on Draycote Water, the competitor has to sign the **Check Clean Dry Declaration** (which can be found on our website) – stating that you have followed the Check, Clean, Dry programme since your last launch and will follow it having sailed at Draycote Water before you next launch. This is most important since the invasive species *Dikerogammarus Haemobaphes* has been found at Draycote Water. Because of the requirement to dry your boat, you have to follow the programme before you arrive at our site.

2. The visitors' boat drop off, rigging & launching area is to the west of our site and the parking to the east. For this reason we suggest that you plan your arrival so that you are ready to drop off all you need with your boat at the rigging area to avoid lots of long walks between your car and boat.

Arriving Early

If arriving the day / evening before the event, you are welcome to use the water, if conditions permit, as guests of the Club, the afternoon before the event. Before doing this, it is imperative that you talk to the Water Manager or on-duty bosun before going afloat. You also need to sign onto the water.

If you have a campervan or caravan, please park it in the designated place (see later).

Please be aware that the main site entrance gate is closed at night and you may not be able to get on-site if you arrive late (see later).

On Arrival / Unloading your boat in the Visitor Rigging Area

Proceed to the visitor boat drop off area. This is an area for you to pull into while unhitching / unloading your boat. Do not park here any longer than necessary. Kit can be dropped off at the clubhouse on your way back to the car park.

Car Parking

After unhitching / unloading your boat, please drive your car back past the clubhouse and visitor centre and park either in the Pay & Display car park (£3.50 @ day).

Competitors must **NOT** park anywhere else other than these car parks. Any visitor whose car is parked elsewhere will be liable to disqualification.

THE ACCESS ROAD MUST BE KEPT CLEAR AT ALL TIMES – EVEN WHEN UNLOADING OR PACKING UP YOUR BOAT.

Campervans, Caravans & Camping

Campervans and caravans should be parked in the main Sailing Club car park (at the bottom of the hill) at the far end – the lowest point. They must not park in the pay & display car park or anywhere else on the site. Please call the Office to reserve a place 01788 811153 the office is open 9.30am till 2.30pm Mon to Fri

Campervans are at a charge of £10 per night.

No camping is allowed on site.

Schedule: For details of timing, please see your event's Notice of Race.

Registration will typically be in the upstairs lounge of the Clubhouse. Please ensure that you have registered, entered and paid before going afloat. In addition, please ensure that the Check Clean Dry declaration and any necessary health or parental consent forms have been completed prior to sailing.

Safety – Your safety is paramount.

Due to the nature of the foreshore, there may be some large stones in the water, please take care when launching and retrieving.

The water is not open unless the orange club burgee is flying from the mast outside the clubhouse.

Please speak to the bosun if you wish to sail outside the times of the competition.

If you are requested to go ashore by the bosun or rescue staff please do so immediately, and please remember people's safety is ALWAYS prioritised over boats or equipment.

Catering – The Wet Bar will usually be open during the course of the day, offering hot and cold drinks, snacks & meals. It may be necessary to pre-order lunches before going on the water. The Lounge Bar will usually be open late afternoon and evening and an evening meal may be available – see your event's Notice of Race. Sailors in wet gear and / or sailing gear are not allowed in the upstairs Lounge – please use the Wet Bar at ground level.

Site access – The entrance gate is closed at night (times vary according to season). Once closed you cannot gain access to the site but can exit by driving up to the right hand side of the closed gate.

Dogs – Dogs are not permitted on site, however they are allowed in the adjoining Country Park.
