We look forward to welcoming you to Poole Yacht Club. We hope the following information will help you plan and organise your visit in preparation for a great weekend of sailing.

Prior to Arrival

Trolley Numbering/Tags - please make sure trolleys are clearly labelled with champ numbers.

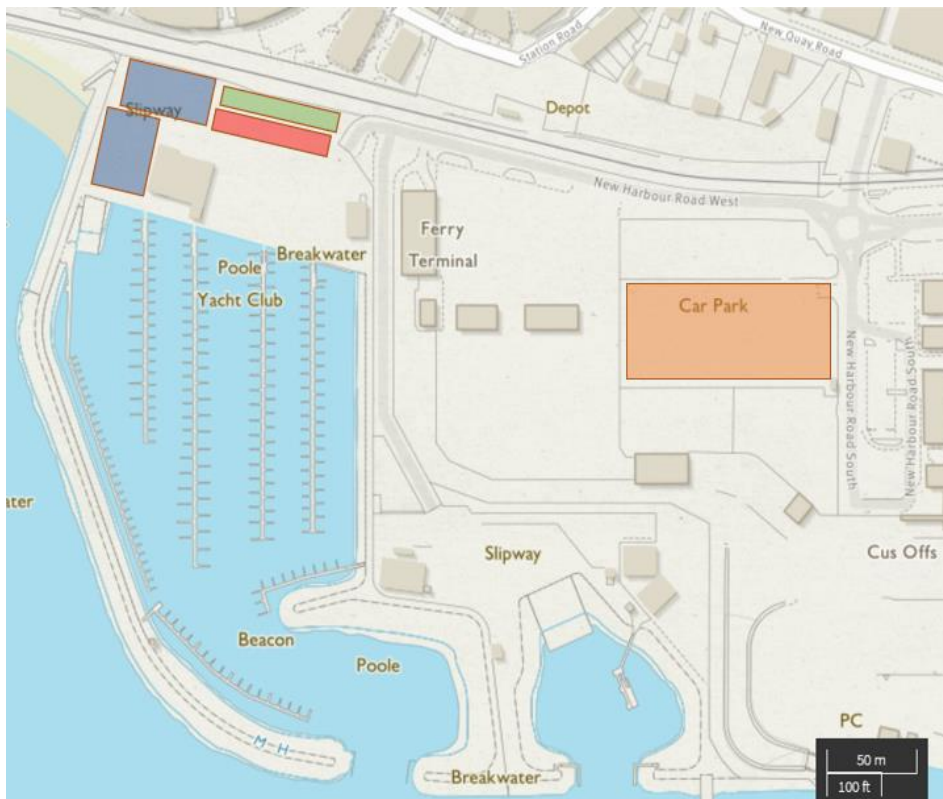

If your child is not already a member of ITCA with their own championship number, please consider signing them up and requesting a champ number.

For those of you arriving Friday evening, Club members will instruct you on where to leave your boat and trailer (see map guide below). Notice Boards & Results

Sited in the under-pass below the bar.

Race Office

This is in the training room on the ground floor.

Sailing / Racing

Weather permitting there will be a maximum 7 races over the two days. The initial aim is to complete 4 races on Saturday and 3 on Sunday.

Sailors should take water and food with them onto the water. We can only emphasize the importance of maintaining hydration and energy levels for sailors undertaking strenuous activity on the water for extended durations. Please also use sun cream for skin protection.

Tally Board

This will be outside the changing rooms OR by the slipway.

Sailors **MUST** collect their tally band before going afloat. Bands will only be issued to sailors suitably dressed and wearing a buoyancy aid. Only the sailor themselves can return the tally band when they come ashore.

Please ensure tally bands are returned **EVERY TIME** you come ashore, no matter if only for a brief time.

Tally bands are there to ensure the safety of all our sailors and there are much stricter rules/penalties being imposed this season for those who forget to tally in or out.

Prize Giving

At every event there is a delay between the Race Office team having set up prize giving and it actually taking place. This is because the Class policy is that it cannot start until all the RIBs that volunteers/parents like you who haul RIBs around the country for us have been pulled out of the water and Toppers loaded on and tied down etc. Subject to protests lodged, we aim to start prize giving not later than 4:30pm.

Prizes will be awarded at the discretion of the Race Committee having due regard for the number of boats entered. The importance of gender prize parity is recognised at Poole Yacht Club, to better promote the participation and inclusion of girls in the sport. As such male and female sailors will compete against their own gender. For instance, awards will be made for 1st, 2nd & 3rd boy and girl in each fleet. Prizes will be issued with regard for the number of boats entered for each gender in each fleet.

SAFE JOURNEY EVERYONE...we look forward to seeing you here!
