

Castle Cove

Sailing Club

Topper Traveller 2019

Sunday 19th May 2019

Arrival Information

We look forward to welcoming you to Castle Cove Sailing Club. We hope the following information will help everyone have a great day sailing!

- Gates Open at 8.15am
- Car parking at Castle Cove is limited; we will try to help everyone get a parking space at the club.
- Sailors with motor homes (larger than Transit/VW Transporter) - please arrive early and park outside club at the Castle Cove beach carpark (spaces are limited and cannot be reserved). The beach carpark is on the left just before you approach Club entrance. Boats can be trolleyed from there into the club. Parking here is free. Further parking can be found further back up Castle Cove Lane.
- All trailers, launching trolleys and boats must be dropped off in boat park, on arrival to ensure car parking spaces are used only for cars.
- Please rig boats in boat park, not in carpark.
- Registration from 8.30am, briefing in the Club House 10.00am
- Galley Open from 9.00am
- Dogs must be kept on lead at all times.
- £15 entry & £5 Portland Port Fee.
- Further details including: Notice of Race, Sailing Instructions, how to enter, and directions can be found on line at <https://www.itca-gbr.co.uk>
- **Please note there is no overnight parking or camping permitted on site.** This is a planning restriction. The gates are locked and the site is alarmed when the last club member leaves.
